

Our dear Sister Eugenie JEANBART born in Aleppo (Syria), died in the peace of Christ in Jeita (Lebanon), on the 29th October 2024.

She was 88 years old and had been a Professed Sister for 65 years.

Farewell, Sister Eugenie!

Today, a great soul has left us. Sister Eugénie, our Mother Superior, left a profound impact on all who crossed her path with her moral integrity, ethics, and values.

To her students, she was a tender and understanding mother, a model of dedication to work and a strong sense of duty.

To parents, she was a supportive partner in the education of their children.

To the teachers, she was an inspiration, a guide, and a model of devotion; a shoulder that provided support and comfort.

In the city of Saïda, she touched generations who will keep her in their hearts and minds.

She lived her mission in simplicity and humility, following the values of her beloved Saint Émilie de Vialar.

May her soul rest in peace.
